DELEGATE'S PRESENTATION

Ed announced the nominees for the Pacific Region Trustee, and thanked Francine and Jeryl for their willingness to stand. Ed turned the mic over to Alternate Delegate Jose A., who reported the following:

Jose, alcoholic. September 12, 20 21. We continue to plan to the November 13 Servathon with District 1 and 3. And what will become of eight of the Tomorrow at thirty? It's going to be held at West High School, 20401 Victor St., Torrance, California, 90503. I also attended the Vuelta Interdistrict meeting Thanks also to the districts that are going to have elections for letting us know so we can try to be a part of the elections as well in each first of the districts. We meet at the National Alternates to delegates. Today it was the northeast region forum. They talked about their tradition, how they work. Yes, some pioneers recovered there or got to know each other as well as how they make their selections. And I was also present at the Pacific region custody report with the delegates from the region. There were 9 states, 15 areas. The operant choice I forget. The treasurer said something here, the Spanish speaking committees are going to ask you for a budget, how much are they going to ask for the new coordinator? How much will he need for you to work? Remember the budget, we're going to meet in October, so please, Spanish speakers, because I'm your liaison and on October 10th Election Assembly, Union Hall #24, 8550 Stanton Avenue, Buena Park. General Service is going to be the show and it's eligible members will be able to elect a new board at the elections. Take care. Well, I already gave them the address of the information and I think that's all I have to report. And as I said at the beginning, I would like to meet or participate in most district elections, so let me know. So that's it. Thank you.

OFFICERS/DIRECTORS REPORTS

(Submitted in Writing)

Delegate Ed L: Ed, Alcoholic. I was thinking about creating a t-shirt that says, "Can you hear me?" They will be free to everybody who wants one, who's ever been muted or non-muted on, Zoom meeting. So I did my presentation this morning. But I would also like to just reflect on what it means for me to be here today. Since the last time I saw you, I've been two conferences. I have been responsible to represent Area 09. I don't really feel that I'm so much the delegate, as I am part of this town. I've actually had more face-to-face time with the Hispanic communities that I have with the English, except for Zoom. I believe probably in the history of our area, I've been able to spend more time with the districts than I have, or any of the other past delegates have been able to. And I really appreciated that you've let me be as noisy or as quiet as I needed to be. To be there to serve what my function is. I believe my function is to be that conduit or the connections between New York and you, in the groups, but you are the important ones because I one person talking to about the middle of the triangle. And it's the districts we are keeping the people in form, so that lives can still be saved. So I love the fact that we've all been in this together. When I went to the business meeting at the Area a couple of weeks ago. That's when it struck me that I've been doing this for six years, once a month on Sunday, driving 45 miles from my house to the Area to meet with the other district officers, and how much that's less than and how much I'll miss that. And I'm not sure what my next phase is, in terms of service. But what I really feel is that you have invested in energy into me, and I'll keep coming back because I honor that energy. And I want to be here for the next delegate and for the next officers and to do things like Sharon K. has done. To help and like Jeryl does, and all the people like Roseanne, all the people that continue to come back with knowledge and service to continue to give that energy back to you, even as a coffee maker, which is kind of what I'm lobbying for. So I just want that last slide that I showed in my presentation is "Thank you for changing my life." And I do want to sincerely let you know that my life has changed more in the last two years and it has in the last 16 years of sobriety. So when I go to meetings, I don't say my name is Ed, I'm a delegate. I say my name is Ed I am an alcoholic. I don't ever want that to change because the alcoholic part is more important than the delegate or any other time letter.

Alternate Delegate Jose A: We continue to work and plan the Servathon with District 1 and 3; visited district 21 attended interdistrict meeting September 1; attended the NAAD participation of the areas of the Northeast region, how their areas work and how they organize their elections; attended the report of the Pacific meeting with the 15 delegates from 9 states. Upcoming / Future Events: October 10 Area 09 Elections and Servathon November 13.

Registrar Don S.: I'm Don, I'm an alcoholic, currently serving as the Area 09 Registrar. Since the last ASC, on August 8th, I have attended District 8 meetings, serving as their Secretary, on 8/11 and 8/18, EBoard on 8/15, and a Registrar Sharing Session on 9/5. I have continued to update the spreadsheet, outlining Area meeting attendance, to determine eligibility for election to Area and District offices. In addition, I used the Eligibility spreadsheet to prepare sign-in sheets for today's Area Assembly. There are three items I would like to emphasize. First, "Read Only" access to Fellowship Connection, our national AA database, is available to all serving DCM's. You will probably need assistance getting on the system. Please contact me when you are ready to access Fellowship Connection. I will be glad to assist you. Second, there have been some issues with my Area email. If you have sent me an email and I have not responded, please try again. If that is unsuccessful, please contact Mitchell, our Area Chair. I'm sure he will be glad to pass the word on to me. Third, we are fast approaching a very busy time for Registrars. The end of Panel 70 is December 31st. Most of the Fellowship Connection listings for Group, District and Area positions will expire on December 31st. Our Area, and all Districts, will be holding elections, to select new people to hold those positions. It is extremely important that all Groups and Districts report election results to your Registrar, before the end of the year. Please help me, help you keep the records up to date. Thank you for this opportunity to serve

Treasurer Accounts Receivable Rich W.: I'm happy to be sober one more day and grateful to be of service. I have submitted the August Financial report. For the month our gross income was \$6,841.08 and our expenses were \$5,839.51; which left us with a net income of \$1,001.57. We had Group contributions of \$6,551.76, District contributions of \$133.51, and Individual contributions of \$155.81. As of Sunday, September 12, 2021, we have \$61,460.56 in the checking account, \$10002.18 in our Prudent Reserve account and \$461.35 in the Pay Pal account. Since the August ASC I attended the Eboard meeting, made 2 trips to the PO Box, made several bank deposits and paid some bills. I will be working with the Finance Committee as we begin the process of creating the 2022 budget. I hope all the Committees were able to prepare their budget request forms. The Finance Committee needs them ASAP to put the first draft 2022 budget. If you need any help contact your Finance Committee liaison, John R., the Finance chair, or myself. Thanks for the opportunity to be of service.

Secretary - Kris C.: Hi My name is Kris and I am an alcoholic. Welcome to the first hybrid Area 09 meeting! First of all I want to thank Ed for generously giving me his 25 pounds during Covid lockdown. I extend a grateful thank you to Justin, Stacey, Alex, Mitchell and the entire tech committee volunteers for making today's hybrid event happen. I am sitting next to the tech committee and seeing firsthand just how much work they do behind the scenes monitoring multiple computers to make sure everyone is getting the best experience possible. I encourage everyone to have patience with this process as it has taken months of hard work from the team to make today happen. Please be helpful in your criticism and generous in praise. Thank you as always to our amazing interpreters. And thank you to District 5 for setting up today's in person meeting. Also, here in the room it is very difficult to hear the speakers when there are other conversations going and I know there have been issues with hearing the speakers on Zoom. Also, will all new GSRs please let me know your names as I couldn't hear many of them. When you go to the mic please state your name clearly and slowly. I apologize for the issues with the Zoom link in last week's email so if you know anyone who has had problems getting in today let them know the link on the area 09 website is correct, as is yesterday's reminder email link. Since our last Area meeting, I have been working with the Literature Committee and Mitchell to update the Third Legacy Pamphlet in both English and Spanish for next month's election and I attended the Board meeting in Riverside. I want to remind all DCMs/DCMs, Area 09 officers and Area 09 Committee Chairs to email your reports to me if you want them to be included in the minutes. Please also post them to the area website. It has been quite an honor to work for the Area as Secretary. I encourage everyone to consider serving the Area in some capacity whether it is for this upcoming panel or a panel in the future. Thank you so much for letting me be of service.

Area Chair Mitchell B.: Hi, my name is Mitchell, and I am an alcoholic. Since the August 8 ASC meeting, I attended Executive Board meeting on August 15 in person at the MSCA 09 headquarters in Riverside. * * * I prepared the Agenda for today's Assembly Meeting. * I coordinated with District 5, Technology Committee, and Ed board to plan for today's hybrid meeting. * I continue to monitor the county health advisory directives and Cal OSHA guidelines for in-person meetings of up to and more than 100 persons. The information is changing quickly and influences decision-making about planning for Area events. * I attend an online Area Chair Session on August

14,21,28 and September 4,11 at 5:00 p.m. via Zoom. The topics have included planning for hybrid meetings, encouraging greater GSR/DCM participation in General Service, and topics of interest to Area Chairs or those whose wish to attend. The online meetings have provided information and an opportunity to learn from other Area chair's experience. * I have reached out to District 12 to help plan for the October Election at the Union Hall in Buena Park, October 10.. * I have been working with Kris C., Area Secretary, and Don S., Area Registrar, to prepare participant lists for attendance at Area events for 2020-21, which will help identify the members who are eligible to vote and those eligible to stand for Area positions. * On September 7 I attended District 4 and District 9 on September 9 on Zoom. * Thank you for letting me be of service.
