**Background Information:**

• During the July 2019 trustees' Committee on General Service Conference meeting a member brought forward an idea during committee discussion for how to schedule General Service Conference discussion of agenda items, centered around the question: "What can we stop doing during Conference week?" Having not attended a physical Conference and as a 2nd-year "virtual" delegate, some of these specific Conference recommendations are unfamiliar, even to me.

**Question(s) for Area: There's limited opportunity for feedback from someone who has not attended a Conference, but for those that have attended (past delegates, GSO staff, etc.), do you have any feedback?**

| <b>Background Information:</b> <p>• In the early years of the Conference (1951 through 1961) the theme of the Conference became defined following the Conference meeting itself, from taking a "sense of the meeting." Conference theme and presentation topics revolve around basic principles of A.A. and can spark thought-provoking discussion at area and district meetings as well. Regions, areas and districts often incorporate discussion of these topics into workshops, meetings, pre-Conference assemblies, etc. This gives all A.A. members the opportunity to participate and become more informed about A.A.</p> <p>• Pages 69-71 (70-72) of the Background Information list 45 potential Theme topics.</p> <p>• Pages 72-73 (73-74) of the Background Information list all Conference Themes from 1951-2021.</p> |                             |                                      |                                          |             |             |

| <p><b>Background Information:</b></p> <ul style="list-style-type: none"> <li>The pie charts illustrated on page 13 of the pamphlet depict the seemingly sanctioned division of contribution funds between service entities. As the delivery of services varies, sometimes greatly, from Area to Area, and between districts, and among central offices/intergroups, we believe that GSO should not make any suggestions about contributions to these entities. Instead, we propose that the one pie chart without filled-in percentages (top illustration) be retained and the following text be added to p. 7 and p. 13: “Duties of the entities notated above are described on page 7 of this pamphlet. Performance of these service duties vary from area to area. Please be sure to inquire which services these entities provide in YOUR area and contribute accordingly.” Page 7 (297) shows the recommended changes. The specific recommendation, if percentages are retained, to place “Sample” as a watermark through the pie charts.</li> </ul> |  |                                                                                                                                                                                                                                                                                                                                                     |  |                                          |             |

| <b>Background Information:</b><br>• When money from a club in northern Illinois that supports both A.A. and other 12 Step groups was contributed to a District, the District decided to return the money because it could not determine if all the funds were from A.A. members. The 1972 Advisory Action was cited as the reason for this decision. The Group submitting the recommendation believes that this is outdated and should be revised, and that A.A. should be permitted to receive donations from Clubs, provided that they have no outside commitments or connections. |      |

Less is given relative to the “Carry the Message” program intended to provide Grapevine and La Viña subscriptions to incarcerated individuals. | <b>Background Information:</b><br>• The report on a Grapevine Instagram account is given on pages 22-25 (449-452) concluding Instagram can announce/highlight existing materials (e.g., “Daily Quote”), engaging and extending GV/LV, ensure anonymity, avoid affiliation, not ask for donations, and can promote GV/LV products.<br>• The Implementation Strategy is given on pages 26-34 (453-462): GV/LV as an extension of existing materials to expose GV/LV to more alcoholics. Instagram assets include reaching younger audience, useful to nonprofits, used more often than other platforms (300 million/day), requires regular posts, etc. Strategy includes using existing materials, maybe create new materials later, target alcoholics and professionals, followed by four pages of example posts, and a few graphs. |                                      |                                          |                              |             |  |  |  |  |

| <b>Background Information:</b> <ul style="list-style-type: none"> <li>Each year the A.A.W.S. Board will present to the General Service Conference for input, feedback and approval a full prioritized list of items slated for conversion to video in the following year(s). Initially, the recommendations for conversion from A.A.W.S. will be limited in quantity (1-4 per year) and will cover both Conference-approved materials as well as service materials. We recommend following this approach for three years, covering at least ten conversions primarily of service materials and a few Conference-approved items in order to provide sufficient content to evaluate the impact of these materials and to determine if this approach requires adjustment. | <b>Background Information:</b> <ul style="list-style-type: none"> <li>Two specific recommendations from 2020 included: 1. Consider an audit of the first 164 pages of the Big Book, <i>Alcoholics Anonymous</i>. 2. Consider adding pages 3 through 41 of the pamphlet “The A.A. Group” to the appendix of the next printing of the book <i>Alcoholics Anonymous</i>.</li> <li>Three specific categories of changes include: (1) Pronoun usage – where possible the gender-neutral form should be incorporated. (2) Passages or sections that are no longer consistent with or relevant when taken in context of society in general or the A.A. membership composition. And, (3) The chapters To Wives and The Family Afterward should specifically be evaluated for revisions to be more consistent with today’s membership. 1995 Advisory Action – The first 164 pages of the Big Book, <i>Alcoholics Anonymous</i></li> </ul> |                                                                                                                                                                                                                               |                                      |                                          |             |             |

| <b>Background Information:</b><br><ul style="list-style-type: none"> <li>• The following three proposals apply: (1) Consider a proposed addendum to a Fifth Edition foreword of the book <i>Alcoholics Anonymous</i> at the time it is published, specifically, to provide a list of gender terms with the intent that all who are seeking answers (help) for a drinking problem are encouraged to give Alcoholics Anonymous a try. (2) Consider developing a Fifth Edition of the book <i>Alcoholics Anonymous</i> with updated stories and revisions to Appendices III and V. And, (3) Consider development of a Fifth Edition of the book <i>Alcoholics Anonymous</i>.</li> <li>• The need for a 5th edition was related to timing for earlier editions: The First Edition was published in 1939; 16 years later came the Second Edition was published in 1955; 21 years later came the Third Edition was published in 1976; and, 25 years later came the Fourth Edition was published in 2001. Pros and cons are listed on pages 31-22 (527-529).</li> <li>• Number (2) suggests revisions to Appendix III: Update “The Medical View on A.A.” to include more information on mental illness. The language could be similar to (or directly lifted from) "The A.A. Member Medications and Other Drugs." Specifically, page 6 of the pamphlet, where it talks about some alcoholics needing medication. And, remove reference to “Three Talks to Medical Societies by Bill W,” which has been discontinued. And, update Appendix V to include perspectives from different faiths; not just Christian, but Hinduism, Buddhism, Judaism, and Islam as examples.</li> <li>• Pages 39-51 (535-547) provide detailed considerations for publishing the 4th Edition.</li> </ul> |                             |                                      |                                          |             |             |

In another part of the letter, the phrase is given as “How <b>to not</b> take the first drink,” where the words “not” and “to” are transposed, so this needs to be clarified.</li> </ul> |  |                                      |  |                                          |             |

| <b>Background Information:</b><br>• The proposal is to add the General Service Representative (G.S.R.) Preamble to the pamphlet “G.S.R.: Your Group’s Link to A.A. As A Whole” (P-19).<br>• The GSR Preamble reads: “We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A. We realize the ultimate authority is a loving God as He may express Himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our group and A.A. as a whole.” |  |                                                                                                                                                                                                                                                                                                                                      |  |                                          |  |                              |             |

According to the Background Information, “The committee discussed the Publishing department’s progress report regarding the draft pamphlet of ‘The Twelve Traditions Illustrated,’ including the review of suggestions for continuing revisions and possible titles for what may be a new item.” The committee agreed that the draft version may represent a distinct piece of literature addressing a different audience and serving a different purpose, so that it would not be confused with the existing, illustrated pamphlet that we felt should not be retired but warranted a different title.</li> <li>• The Conference Literature Committee reviewed a confidential version of this pamphlet in 2020, made numerous recommended changes, which are reflected on pages 138-141 (634-637), and resulted in a revised January 2021 version that is also confidential and still cannot be shared.</li> </ul> |                             |                                      |                              |                                          |             |

| • The committee discussed the request not to retire the existing version of the pamphlet “Twelve Traditions Illustrated (P-43),” as well as the request that a written description be provided by the trustees’ Literature Committee explaining how an existing version of a literature item might remain in publication after a revised, updated version has been approved. The committee noted that additional revisions are being considered to the proposed pamphlet which may result in a new literature item and tabled discussion. |  |                                                                                                                                                                                                                                                                    |  |                                          |             |

| • There are specific considerations for additions to the <i>Living Sober</i> book on pages 150-154 (646-650) of the Background Information. One specific recommendation in <i>Living Sober</i> is: Insert on page 76: “Of course, A.A. is a reflection of the larger society around us and problems found in the outside world can also make their way into the rooms of A.A. Some of these have <i>already been forwarded</i> to the Conference committee, some the trustees’ committee agreed <i>not to forward</i> to the Conference committee, and some are <i>still under consideration</i> [emphasis added].</li> <li>• The considerations for rejecting proposed agenda items and frequency distributions are given on pages 54-60 (988-994). | <b>Background Information:</b> <ul style="list-style-type: none"><li>• In August 2020, the Conference Coordinator was given the green light to research a possible helpful technical tool for the Committee Selection Process: a web-based application solution. The goal was to alleviate the possibility of human error and provide for the absolute randomization of the committee selection while meeting all Advisory Action and best practice constraints. The report documents the process, cost, and shares the results. To ensure: Selecting by lot, within well-established practices that account for rotation, regional mix, gender mix and committee size, the first term delegate members on each Conference committee. The cost for Phase 1 is \$3,025.</li><li>• In 1970, the Conference recommended that “The procedure for selecting Conference committee members continue to <i>be from the hat</i>; that no <i>area be represented on any standing committee for more than two consecutive years</i>; that when any state or province has more than one area, <i>no standing committee will have more than one member from each state or province.</i>” (Policy) [emphasis added].</li></ul> |      |                 |

| <b>Background Information:</b> <ul style="list-style-type: none"><li>• The committee agreed to forward to the 2021 Conference Committee on Policy and Admissions six proposed agenda items related to the topic of online groups not affiliated with a physical meeting space having a voice and a vote in the General Service structure.</li><li>• These six proposals include:<ul style="list-style-type: none"><li>• J.1 - Consider a request from a local district that recognizes “Online Groups” as voting members of the district and asks that the Conference take action to grant “Online AA Groups” the same privileges as “Brick and Mortar Groups”.</li><li>• J.2 - That the General Service Conference consider allowing participation of all virtual groups, not affiliated with a physical meeting space, by creating a 94th Area to our Service Structure that will encompass those A.A. groups.</li><li>• J.3 - Adapt the General Service structure to recognize online-only groups as official groups. Without that recognition, members have no voice and are denied access to service opportunities.</li><li>• J.4 - Consider allowing Virtual or Online Groups to register under their respective district and area instead of the Online</li></ul></li></ul> |  |                                      |  |                                          |                 |                              |             |

Intergroup.

- J.5 - Consider holding a discussion about how to give online only (virtual) meetings a voice and a vote in the General Service Structure and access to General Service Offices (GSO) services.
- J.6 - Discuss the current procedure of referring non-face-to-face Groups to an entity outside the A.A. service structure to be listed and consider creating a Traditions based policy that meets the needs of the Fellowship and its Groups.

**Question(s) for Area: Among the many questions that this Agenda Item poses, do you think the General Service Structure accommodates representatives from virtual meetings? Do virtual meetings need to have a geographical base or can they function without that association? Do you support an “Area 95” with its own delegate attending the Conference? Other questions and their answers are welcome.**

| <b>Background Information:</b><br>• Information that should be included in a media plan is the objective, strategy, rationale, execution, and summary. A draft 75 page plan has been drafted and its development is in the process of being finalized to include subjects related but not limited to: Target Markets (alcoholics and those helping alcoholics); Competitive Analysis (provide similar or overlapping help to problem drinkers or provide help that A.A. does not provide); Establishing the media objective (help the sick and suffering alcoholic and provide accurate information); Public Relations Strategy (Analyze, review, and develop our current strategies/ platforms to serve A.A.'s "Public Relations Policy"); Creative "Branding" (Who we are, what we do, what we have to say, and how we can help); Website/Media/Digital (e.g., digital assets complement each other, serve local committees and the A.A. Fellowship, prepare multi-media projects or continue as mostly printed communications, etc.); Implementation (How we do things in A.A. is as important as what we do in a business and spiritual sense); Budgets (mindful of utilizing Seventh Tradition contributions, keeping within the Board's fiduciary responsibility with new projects); and Impacts, Evaluation and Follow-up (This will be primarily from staff and service committees as they implement and review effectiveness). |      |                 |

| <b>Background Information:</b> <ul style="list-style-type: none"> <li>The committee reviewed a professional survey methodology report on the A.A. Triennial Membership Survey. The committee agreed to forward to the 2020 Conference Committee on Public Information the survey report. The committee also asked that additional information be included in the background reflecting discussions and suggestions that came from committee discussions with the survey professional. Noting that the survey methodology review is still in its infancy the committee asked that this discussion be continued at the August 2020 meeting.</li> <li>These recommendations assume resumption of in-person meetings by fall 2021. Should this not occur, we would recommend that the Trustees PI committee be given the latitude to postpone data collection.</li> </ul> |                             |                                      |                              |                                          |             |
| <b>No Need for Area Input:</b> The well-conceived, professional approach to the Membership Survey does not lead to input from most of us, who are not in the profession of conducting surveys. As such, this Agenda Item is more for your information, with minimal opportunity for Area input.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                             |                                      |                              |                                          |             |

| Background Information:<br>• The committee also discussed the trustees’ Public Information Committee working group report on the review of Public Information pamphlets. The committee suggested that further discussion and review of the research grid provided to the full committee is needed to best evaluate the relevancy and content of literature under the purview of Public Information. The committee will add this item to their agenda at their meeting to review the PSA rough cuts and provide any findings from their review of the pamphlets to the 2021 Conference Committee on Public Information. |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |  |                                   |  |                          |      |

| <b>Background Information:</b><br>• The subcommittee reviewed the four suggestions offered by the 2019 Conference Committee on Trustees that were transmitted to the trustees’ Nominating Committee in a memo. (1) Pool of regional trustees available to be considered to serve on an interim board. (2) Pool of potential Class A trustees available to be considered to serve on an interim board. (3) Address concerns regarding the GSB continuing to act until ratification of the interim board wherein appropriate provisions would be set in place to protect the interest of the Fellowship. (4) Reconciliation of the Conference Charter to Concept Four wherein Article Four would be revised to read “three-fourths of all Conference members participating in the vote.” |                             |                                      |                                          |             |             |

| <b>Background Information:</b><br>• Slates of officers are presented for the first two categories that are not applicable to Area 09 in the Pacific Region.<br>• Nominees for U.S. Trustee-at-Large are from all six regions in the U.S. and Canada. Given there are 79 Areas within these six regions, there may be 79 nominees, however not every Area provided a candidate. Therefore, of the 79 potential nominee positions, only 47 candidates were identified. In is interesting that the Pacific Region is the only one of the six regions where all 15 Areas have a nominee. Jeryl T, Past Delegate, was nominated by Area 09 in October 2020. |      |                 |

Between Conferences, ideas for changes to a Workbook may be received. These may be reviewed by the appropriate trustees' Committee and implemented. Alternatively, the trustees' Committee may choose to forward an idea to the Conference Committee for review. Members of the Conference Committee then have an opportunity to review proposed changes to a Workbook during the next General Service Conference.</li> </ul> |                                                                                                                                                                                                     |                                      |                              |                                          |             |
