DOES YOUR GROUP HAVE A VOICE?

GENERAL SERVICE REPRESENTATIVE (GSR)

"The general service representatives (G.S.R.s) of the U.S. and Canada are the very foundation of our general service structure. Through your G.S.R., you can make your group's voice heard at district meetings, at area assemblies, and eventually at the General Service Conference."

For more information about GSRs, see A.A.® leaflet:

"For a new general service representative, this leaflet outlines responsibilities and useful sources of information; for a group, what to keep in mind when electing a G.S.R."

STEPS, TRADITIONS, AND CONCEPTS OF A.A.

(Reprinted with permission of A.A. World Services, Inc.)

STEPS: 7 THRU 9

7.

"Humbly asked Him to remove our shortcomings."

8.

"Made a list of all persons we had harmed, and became willing to make amends to them all."

9.

"Made direct amends to such people wherever possible, except when to do so would injure them or others."

"SHORTCOMINGS": A weakness in someone's character : A personal fault or failing. (See page 11 for a little "Did you Know?" tidbit on Step 7.)

TRADITIONS: 7 THRU 9

7.

Short Form:

"Every A.A. group ought to be fully self-supporting, declining outside contributions."

8.

Short Form:

"Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers."

9.

Short Form:

"A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve."

"SELF-SUPPORTING": Having the resources to be able to survive without outside assistance.

CONCEPTS: 7 THRU 9

7.

Short Form:

"The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness."

8.

Short Form:

"The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities."

9.

Short Form:

"Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees."

"CHARTER AND BYLAWS": A charter explains the purpose for the nonprofit's existence and is also known as the articles of incorporation. The bylaws are the rules and regulations that the organization must abide by.

MID-SOUTHERN CALIFORNIA AREA 09 (MSCA09) NEWS...

CELEBRATING "60" YEARS!!

The Chronicles of MSCA Area 09 History – Part 1

AREA 09 IS FORMED!!

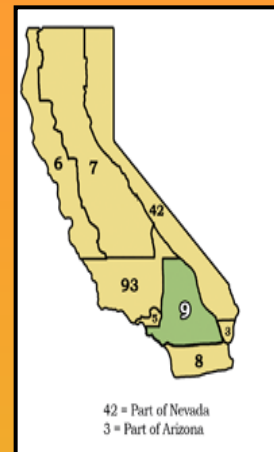

September 7, 1958 – on this date at the Area Service Assembly in Santa Ana, a new Delegate Area was carved out of the "California Southern Area." The new Delegates' terms to start in the even-numbered years. This now gave California five Areas (with five Delegates). The new Area officially designated "California Southern Coastal", or less precisely but more familiarly "Southern Coastal California." Nicknamed "Panel 2" because of its even-year terms.

Our first delegate was Art B., who served only a 1-year term, in 1959. The new Area started meeting in October, however it officially did not exist until January 1959. There were "10" Districts created (District 1, 2, 3, 4, 5, 6, 7, 8, 9, 10) with 105 AA meetings at this time with 105 GSR's. The reason for this meeting so soon was to start forming plans for the A.A. International Convention to be held in Long Beach in 1960.

These ten districts covered the same area of today.

THE PHONE LIST

Before I got sober, I was very dry and everything was out of control. I had no hope.

Faith began as my first sponsor led me, holding hands, on our knees, in the Third Step Prayer. I was more afraid not to take direction.

I had more memory problems (denial/fear than I do now as an old-timer), so he suggested I carry a small spiral notebook that fit in my pocket—no electronic devices back then. I was to learn to write, as my grasp of Reality was so fragile, in that notebook: books, pages, times, dates, names and phone numbers—just in case. That notebook became my lifeline: phone numbers of helpful people who offered hope and solution. Then I learned meetings had phone lists to use for Fellowship. I had hope and a solution.

Then, on a hike, I lost the notebook, and I thought I might drink without the numbers; but they were replaced with more numbers. The beginning of my Spiritual Journey towards a Higher Power.

Recovery concerns us all; a program of recovery provides a haven and a forum and hope for any Alcoholic. Imagine if that lost notebook was somehow used against me or the kind souls offering a Haven.

Protect Anonymity. Please use Blind Carbon Copy (bcc) when emailing any contact/phone list.

Thank you,
Your Newcomer

A BIT OF THIS...A BIT OF THAT...

DID YOU KNOW ???

One Of the Early Pamphlets about A.A.

In 1941, Dr. Bob commissioned Evan Williams, to write a pamphlet for beginners as he felt the Big Book was too complicated for some of the newcomers. It was titled "Manual for Alcoholics Anonymous" and was put out by the King School Group.

Over the next several years, 3 more pamphlets were produced titled "Guide to the Twelve Steps", "Spiritual Milestones in AA" and "Second Reader for AA."

The copyright is now held by the Akron Inter-group Office and they still sell them for 50 cents each. As for pre Big Book pamphlets, we are not aware of any done by Dr. Bob

Jay M; Akron Archives

"STEP 7" THE ORIGINAL "UNEDITED" VERSION ...

In Bill W's original unedited manuscript version of the Big Book, written in the 1930s, 'Step 7' read:

"Humbly, on our knees, asked Him to remove our shortcomings - holding nothing back".

The final edited wording, published in the April 1939 (1st Ed.) of the Big Book (and as it still does today...79 years later), reads:

"Humbly asked Him to remove our shortcomings."

"Humility is probably the most difficult virtue to realize."
-Thomas Yellowtail, CROW

Two definitions of humility are; one, being aware of one's own defects of character, and two, giving credit where credit is due. This means if you do something and are successful because God gave you certain talents, give credit to God when someone tells you how well you did; this is being humble.

If you are successful at something, but had help from friends, spouse, neighbors, give credit to those who helped you; this is being humble. If you have done a task and you alone accomplished it, give credit to yourself; this is being humble. Say the truth and give credit where credit is due.

If you'd like to read the above pamphlet in its entirety, visit:

If you'd like to purchase it, you can do so through the Akron AA Inter-group website:

"The group was started by the husband of one our counselors at Kaiser. We went to that program Mon. thru Fri. after work. Most of our attendees were from the Kaiser program so we knew a lot about each other already.

Early on we started going to dinner together, whoever wanted to from the meeting. We still do as the meeting time is 6 to 7:30.

Friendships developed as we had similar life-styles. Some of the ladies formed a book club. Some of the men started a Fri. night poker group. They met at each other's homes, with the host providing dinner. Both of these groups are still going.

Since the meeting was in the AA Directory, we did get a few low-bottoms, but mostly it's a middle class group. We used to have 4th of July parties, but have run out of willing hosts. Also we had Memorial Day picnics in the park. We still have a Christmas party (pot-luck with a free-will gift exchange) at one of our member's house.

Of course people who stay sober a long time become middle class with jobs and families."
