DOES YOUR GROUP HAVE A VOICE?

GENERAL SERVICE REPRESENTATIVE (GSR)

"The general service representatives (G.S.R.s) of the U.S. and Canada are the very foundation of our general service structure. Through your G.S.R., you can make your group's voice heard at district meetings, at area assemblies, and eventually at the General Service Conference."

~~~~~  
For more information about GSRs, see A.A.® leaflet:

### G.S.R. Your group's link to A.A. as a whole

"For a new general service representative, this leaflet outlines responsibilities and useful sources of information; for a group, what to keep in mind when electing a G.S.R."

- Did you know that the local group is the basic unit of A.A. World Service?
- Is your meeting/group missing from the above list??
- Did the newsletter editor make a mistake?? (If the answer is "yes", come to the next District 5 meeting and she'll get it corrected in time for the next quarterly newsletter.)
- Or...Is it because you don't have a G.S.R., or Alternate G.S.R., who is actively attending the District 5 meetings?

# ...MID-SOUTHERN CALIFORNIA AREA 09 (MSCA09) NEWS...

## CELEBRATING "60" YEARS!!

AREA 09

### The Chronicles of MSCA Area 09 History – Part 2: Early Districts Lines

In 1957 Southern California Area 5 (Los Angeles) was divided into 33 districts and renumbered (*most of the order of the renumbering is unknown, but assume was numbered 1 through 33*) Districts 20 through 29 formed what is now Area 9. Prior to the renumbering of the districts, District 5 was made up of Districts 60 and 63 in the old Area 5. After the renumbering it was part of Districts 26 & 27.

Our area (Area 09) was officially designated "California Southern Coastal Area" but was known as Southern Coastal California Area" and nicknamed "Panel 2" because of its even year term. We did not change our name until 1970 when it was changed to Mid-Southern California or technically "California Mid-Southern."

Election of the new delegate and area officers took place on October 12, 1958 and the first meeting of new Area 9 was held on November 16, 1958, but officially we were not recognized and terms did not start until January 1959. They got an early start because the duty of hosting the 1960 International Convention was now the responsibility of the new Area 9. The newly formed districts in 1959 were re-numbered once again to numbers 1 through 10. The first roster of the Area 9 was dated 1-1-59 and had the area size as 105 Groups, 10 Districts and 105 GSR's. On this roster the present day District 5 were part of Districts 6 & 7.

### 1960 Convention

Long Beach, California, was approved by the Conference as the site for an International A.A. Convention to be held the weekend of July 1-3, 1960. This decision is subject to final review of facilities available in Long Beach and, as is traditional, must be confirmed by the General Service Board.

The city of San Francisco had been a pre-Conference candidate for the 1960 convention. Delegates from the various California Areas agreed by lot to offer the single candidacy of Long Beach. A.A. members in Akron, Ohio, also were interested in being hosts to a world get-together in 1960.

It was agreed that supervision of programming and public relations for the convention would be retained by the General Service Board and that all costs would be underwritten by the host Area or Areas. Any excess of income over expenses would be turned over to G.S.B.

The Conference voted to constitute an Advisory Convention Committee on the following basis: Three members each from panels 7, 8, 9 and 10, plus the California Delegates, with the understanding that one Committee member will be a Canadian and that members chosen from panels 9 and 10 (1959 and 1960) will come from Areas not already represented.

Members chosen by lot to serve on the Committee are: Wes P., South Florida; Tom A., South Jersey; Bill H., Northeast Texas; Bill W., Kentucky; Carl S., Wisconsin and Ian MacL., Atlantic Provinces. California members are: Paul G., Northern Coastal Countries; Ben E., San Diego; and Duane R., Northern Interior Counties, with Glenn C., Los Angeles, and Stan W., San Francisco, co-chairmen.

The first full-term delegate elected was Jack White, Panel 10 (1960-62). That year the 3rd AA International Convention was held in Long Beach. Local AA's got to see and hear Bill Wilson, Ebby, Dr. Harry Tiebout, and others. Local bars displayed signs: "Coffee Served Here" in honor of the occasion. At the Cleveland and St. Louis conventions, G.S.O. did almost all the work of putting it on. This was the first one where local AAs did most of the work planning the event. Members stood in line 1 ½ - hours or so before getting served at the Banquet at the Lafayette Hotel, but almost everything else went smoothly. Great drama in the closing meeting at the Veterans' Stadium when all the lights were turned out during the Lord's Prayer and all 14,000 AA's lit a match to symbolize the 12th Step.

## A BIT OF THIS...A BIT OF THAT...

### CONTRIBUTIONS BY OTHERS...

My name is Mark and I'm an alcoholic. My sobriety date is July 13th, 1988. My home group is the Winners Circle and I have attended for more than 30 years.

It really was started by the admin folks at Kaiser Hospital to introduce newcomers at the chemical dependency unit to A.A. meetings. I must say the counselors all were in the A.A. Program also. We were on the eighth floor of the Kaiser Hospital and we were a small meeting and very fun group. I noticed everyone took sobriety serious and had a fun atmosphere. We are not a glum lot!

We moved the meeting many times to the basement and back to the eighth floor and then the auditorium and across the street to a room by the liquor store where we could always hear the ring of the door as customers came and went! Finally we settled in the basement of the pharmacy building which became our home for many years.

I recall on the way to the room I would notice a sign that said chemotherapy not knowing what it meant until years later, that is later in the story.

Every Saturday night at 6 p.m. we would meet, shaking hands and hugs aplenty! We were known for our pleasant greetings and open welcomes.

As with all meetings over the years change happened many times, fights over format and controlling people wanting to turn the meeting into church or their idea of how AA should operate saying the Big Book had become out dated. However, by the grace of God, the group conscious prevailed! Along with bruised egos and feelings.

Over the years groups would meet for the meeting after the meeting. Sometimes groups of 20 or more! Dinner and a movie or beach walks and picnics. We had many years of different groups going to convention local and out of state.

My blessing has been the friendships I have made over the years, some being friends over 25 years, watching them go through changes themselves. Helping out where I could and other times just observing from afar.

Members have passed away and died sober with fond memories of each and what they added to our meeting.

There are times I want to leave and find another meeting for a change. However, I'm here for the newcomer and my sobriety.

And in closing I would like to add I met my wife Eileen in AA and we lived the married life in sobriety together and living the principles of AA.

She was diagnosed with stage 4 lung cancer in November of 2008. And I learned then what the sign to the meeting meant chemotherapy! She died sober and peaceful at home with family and AA family around her.

With the help of fellow members I was able to grieve the loss of my beautiful wife Eileen one day at a time.

Eventually the hospital had all meetings move, and a member let us use his place of business until our present home at Mariposa Women's Center.

I must recommend you have a home group. It has given me hope and fellowship like no other!!

### DID YOU KNOW???

## ~ Our Jewish Faith Fellowship Members ~

*As we know, “AA is a spiritual program based on no particular religion.” We also know that “alcoholism is no*

*respector of persons” and that all kinds of people can be alcoholic. At one time some people thought that Jews were less susceptible to alcoholism, but current statistics show this is not true.*

*“Alcohol is patient, cunning, and powerful.”*

*Jewish Federation & Family Services and JAANetwork.org have been working hard to educate the Jewish community about recovery. There is a list of books on the JAAN website about the 12 Steps and how they are compatible with Judaism. Many within the Jewish community had thought you had to be Christian to work the AA program since so many meetings are in churches. Perhaps you didn’t know that some Jews are intimidated by churches. We alcoholics know that no matter where the room might be, anyone who wants to stop drinking is welcome and safe from persecution.*

*As a result of the educational effort by Jewish Federation & Family Services and JAAN, Jewish synagogues are opening their doors as potential meeting places. If your meeting needs to find a new meeting place, consider a local synagogue or Temple. You may be surprised at your welcome.*

#### Alcoholic

**To the Editor:**—I know a young woman who is an alcoholic. She tries to abstain but it soon gets the better of her. She has no money because she can’t keep a job. I know there are places where these unfortunate people may be cured. I would like the address of such a place that is reliable and yet not expensive.  
Massachusetts.

**Answer.**—Placing alcoholics in institutions is no longer considered of special value. It is recognized that alcoholism is a form of mental disease. Its successful treatment must depend on the ability of the individual to realize that the craving for alcohol can be overcome.

We believe you would be doing your friend a service if you suggested that she contact a local branch of the organization known as Alcoholics Anonymous. No doubt your local Health Department could give you the correct address. This group has proved extremely successful in curing alcohol addicts.
