Agenda Items

This is a list of the Final AgendaItems received from the General Service Conference on February 4, 2021. Those with a "+" were forwarded from 2020. There is some subjectivity in determining those items where there is no opportunity for Area input, ~~which are shown in strikeout font~~, and those items where there is an opportunity for Area feedback, ~~shown in blue font~~. So, given these explanations, of the 110 total AgendaItems there are ~~83 blue items~~ where we are seeking feedback and ~~27 strikeout items~~ where feedback is not necessary, but the summaries and references to Background Information are there for your information. If, after your review of the Background Information, you think there are strike-out items that deserve feedback, I would appreciate your input at msca09delegate70@yahoo.com.

I. Agenda

- A. ~~+Review the General Service Conference Evaluation Form, process and 2019 Evaluation Summary.~~
- B. ~~+Review the 2019 January Conference Call participant survey results.~~
- C. ~~+Discuss 2020 report on the Conference Agenda Process from the trustees' Committee on the General Service Conference.~~

CONFIDENTIAL: 71st General Service Conference Background

Washington Area General Service Assembly (WAGSA) – Area 13

Patrick C.
Conference Coordinator
General Service Office
475 Riverside Drive, 11th Floor
New York, NY 10115
conference@aa.org

Dear Patrick,

It is with great pleasure that I write to submit the following on behalf of one of our Area 13 members for consideration to be placed on the 70th General Service Conference agenda:

That pages three through 41 of the *Alcoholics Anonymous* pamphlet "The A.A. Group" (P-16), be included in the appendix of the next printing of the book "Alcoholics Anonymous."

As many groups read from the text, "Alcoholics Anonymous," it would be helpful to include "The A.A. Group" pamphlet in its appendix. It is believed that having the pamphlet inserted would encourage best practices and participation in general service. Ultimately, this could help improve our service culture to the benefit of the groups, the still suffering alcoholic, and Alcoholics Anonymous as a whole.

We hope that this motion will be strongly considered. Thank you for your time and consideration. Feel free to contact me if you have any further questions regarding this request.

Respectfully yours in service,

Michelle G.

District 55 proposal to revise the first 164 pages of the Big Book

Version 4, April 26th, 2019

Proposal:

We recommend that the Conference form a study committee to **audit the first 164 pages** of the Big Book with the purpose of identifying changes that can be made to make the Big Book more reflective of the A.A. membership composition. The focus should be on identifying the following for possible change:

- **Pronoun usage** – where possible the gender-neutral form should be incorporated
- Passages or sections that are no longer consistent with or relevant when taken in context of society in general or the A.A. membership composition.
- The chapters *To Wives* and *The Family Afterward* should specifically be evaluated for revisions to be more consistent with today's membership.

Once items have been identified these should be prioritized both by the ease of editing and the possible impact to the context of the message. Changes to the overall message should be minimized or avoided entirely. Simplification of the vocabulary should not be considered and references to historical figures and events should remain unchanged.

Where possible, suitable changes should be suggested for incorporation into the text subject to Conference approval.

Examples of changes consistent with the proposal:

Pronoun usage: The gender-neutral form is not the same as no gender; rather it is the generally accepted form of writing that does not assign specific gender to an action or uses a *he* or *she* format.

From the Big Book page 17, the sentence, "But the ex-problem drinker who has found this solution, who is properly armed with facts about *himself*," could readily be changed to "But the ex-problem drinker who has found this solution, who is properly armed with facts about *themselves*," without altering the meaning. This would be considered an appropriate change.

Background Information: • Two specific recommendations from 2020 included: 1. Consider an audit of the first 164 pages of the Big Book, <i>Alcoholics Anonymous</i> . 2. Consider adding pages 3 through 41 of the pamphlet "The A.A. Group" to the appendix of the next printing of the book <i>Alcoholics Anonymous</i> . • Three specific categories of changes include: (1) Pronoun usage – where possible the gender-neutral form should be incorporated. (2) Passages or sections that are no longer consistent with or relevant when taken in context of society in general or the A.A. membership composition. And, (3) The chapters <i>To Wives</i> and <i>The Family Afterward</i> should specifically be evaluated for revisions to be more consistent with today's membership. 1995 Advisory Action – The first 164 pages of the Big Book, <i>Alcoholics Anonymous</i> , the Preface, the Forewords, "The Doctor's Opinion," "Doctor Bob's Nightmare" and the Appendices remain as is.					
Question(s) for Area: Given the Background Information, do you support the 1995 Advisory Action that those portions of the Big Book not be changed; or, do you support the proposed changes or have other, additional changes you would like to be considered in the 5th Edition of the Big Book?

Background Information: • Affirming the 2018 advisory action and the 2019 consideration on LinkedIn, the trustees' Committee on Cooperation with the Professional Community-Immigrant and Accessibility (CPC/IA.) asked the secretary to work with G.S.O. members to implement the page. The LinkedIn page was launched on November 19, 2019, in English, French, and Spanish. The overall goal of the LinkedIn page is to share information on A.A. with professionals and refer professionals to aa.org. No Need for Area Input: Occupying the first 46 pages of the Background Information [1-46 (156-202)], this is the progress report from the CPC subcommittee and does not require any input by Area members. ✚ O. Consider updating the pamphlet "A.A. for the Black and African-American Alcoholic."

Determination: Due to extensive discussion, there was no vote and this item was recommitted		My vote: Not applicable.	
Committee Recommendation: The committee recommended that the pamphlet "A.A. for the Black and African-American Alcoholic" be updated to include fresh stories and a new title that is respectful and inclusive.			
Responses: English - 24 ; Spanish - 5		For: 4(S) 43(E) = 47	Against: 17(E) = 17

• 2019 Conference Advisory Action: The following FLOOR ACTION resulted in an Advisory Action: The proposed floor action that "The pamphlet "A.A. for the Black and African-American Alcoholic" be updated and a progress report and/or a draft be presented to the 2020 General Service Conference" be committed to the trustees' Literature Committee." • Page 234: The most recent 2014 Membership Survey estimates that only 4% of AA members are black, while white membership is estimated at 89%. • Page 236: The pamphlet "A.A. for the Black and African-American Alcoholic" has not been revised since it was originally published in 2001 (except for the title in 2007); CPC, PI, and other pamphlets could be updated to be more inclusive. • Page 241: Table showing blacks in AA, with an all-time low of 10,000 through July 2019 • Page 243 through 245 publish the history of creating the existing pamphlet.			
My pre-Conference thoughts	• Yes. Proposal made by Vera, a black woman, so I trust that she understands the needs of her community and support anything that will result in more blacks in AA. • How to find AA on page 36 does not include electronic means and specifically not the Meeting Guide. • Feel personally responsible for having this as one of three recommended items as I elevated it as an item to be addressed if there is less time.		
Conference Thoughts and Results	Committee reduction thoughts: • The targeted audience was apparently not considered for this pamphlet. So, the CLC has the opportunity to identify the targeted audience. • The distribution number for this pamphlet is lower than some older literature. • Draft was originally proposed in 1991, and by 2007 it achieved today's title of "A.A. for the Black and African-American Alcoholic." • CLC member, Sheryl, indicated the current title is condescending (e.g. there is no "AA for the white alcoholic"). The title is also a problem. "People of Color" may be more inclusive than be restricted to members from Africa. She also indicated that new stories need to be put in there. • "Do You Think You're Different?" already addresses different cultures, so this one needs to be available to "blacks" without being off-putting. • Additional Committee Consideration should have the Trustees consider a new title that is inclusive and not condescending. • One Trustee said that the pamphlet really needs to be updated, as a desperate need to welcome persons of color. • Title really needs to be changed. Needs to consider blacks in Canada, not only African-Americans. • One member asked that PSAs may be considered in addition to the updated pamphlet. • What is the expense?		
What does your group think of this pamphlet? Is an update needed or not? Why, or why not?			
Area Input: • English: Yes, update African-American pamphlet - 13: • Written by people of color only. • Absolutely - verbiage is condescending • I support review of revisions. I have much to say about the issue in general and warn caution about addressing "their community", the very concept is divisive.			
No, do not update African-American pamphlet - 5: • I am agghast at the idea of any Alcoholic Anonymous literature specifying a particular race. We are all "one" and there should be NO SUCH PAMPHLET!!! I vote that this be eliminated ASAP. • The message is still in the stories. An unneeded expense • AA shouldn't care about skin color

Instruction for Agenda Items

Not all agenda items require feedback from Area 09 members. By this reckoning, 83 of the 110 Agenda Items are open for discussion and feedback and the remaining 27 are not.

*** You must **SUBMIT the form** by clicking that option on the last page in order to register or amend your information. ***

Thank you for providing feedback and helping us gather the Area's Group Conscience on the 71st General Service Conference Agenda Items. Please keep in mind the following when filling out the forms:

One Vote Per Group – Please make sure that you only submit a single form for your group.

2. **Option to Save and Continue** – You can start your form and then go back and finish it later. Please be advised, you can **only edit items added during the current session**. For example, if I leave a given item partially completed, answer something else, and then go back to the partially completed item all in the same session, it will work. However, if I **leave the session and then return** to finish the partially completed item, I will not be able to because it is **no longer the same session**.

3. **83 of the total 110 GSC Agenda items** are included in the form. The other 27 are not open to feedback or for discussion as it is not necessary to provide feedback on every item. Please follow the below as a suggested guideline.

a. **Items with Group Conscience** - At a minimum, please be sure to fill out all the items your group discussed and has a group conscience on.

b. **Items familiar with** – If you are familiar with an item and have an opinion, please include the response.

c. **All other items** – If you are unfamiliar with the item, either read the background material or skip it.

I. AGENDA

D. +Discuss the General Service Conference schedule.

Background Information: • During the July 2019 trustees' Committee on General Service Conference meeting a member brought forward an idea during committee discussion for how to schedule General Service Conference discussion of agenda items, centered around the question: "What can we stop doing during Conference week?" Having not attended a physical Conference and as a 2nd-year "virtual" delegate, some of these specific Conference recommendations are unfamiliar, even to me. Question(s) for Area: There's limited opportunity for feedback from someone who has not attended a Conference, but for those that have attended (past delegates, GSO staff, etc.) do you have any feedback?

Your answer

Why, Why Not!

E. Review suggestions for the theme of the 2022 General Service Conference.

Background Information: • In the early years of the Conference (1951 through 1961) the theme of the Conference became defined following the Conference meeting itself, from taking a “sense of the meeting.” Conference theme and presentation topics revolve around basic principles of A.A. and can spark thought-provoking discussion at area and district meetings as well. Regions, areas and districts often incorporate discussion of these topics into workshops, meetings, pre-Conference assemblies, etc. This gives all A.A. members the opportunity to participate and become more informed about A.A. • Pages 69-71 (70-72) of the Background Information list 45 potential Theme topics. • Pages 72-73 (73-74) of the Background Information list all Conference Themes from 1951-2021.

F. Review presentation/discussion topic ideas for the 2022 General Service Conference

Background Information: • The topics listed on pages 75-76 (76-77) were submitted by the Fellowship as possible presentation/discussion topics for the Conference. They came in response to an August 2020 request for presentation/discussion topics sent by the Conference Coordinator on behalf of the Agenda Committee. Question(s) for Area: Although you may express your preference(s), in 2020 the Conference Agenda Committee was responsible for the selection, were not restricted to this potential list, and delegates were asked to vote for or against the selected presentation/discussion topic ideas, so there is minimal opportunity for Area input. Even so, do you have a preference among the listed topics?

G. Discuss workshop topic ideas for the 2022 General Service Conference.

Background Information: The topics on pages 87-88 (88-89) were submitted by the Fellowship as possible workshop topics for the Conference. They came in response to an August 2020 request for workshop topic ideas sent by the Conference Coordinator on behalf of the Agenda Committee. Question(s) for Area: Although you may express your preference(s), in 2020 the Conference Agenda Committee was responsible for the selection, were not restricted to this potential list, and delegates were asked to vote for or against the selected topics, so there is minimal opportunity for Area input.
