DOES YOUR GROUP HAVE A VOICE?

GENERAL SERVICE REPRESENTATIVE (GSR)

"The general service representatives (G.S.R.s) of the U.S. and Canada are the very foundation of our general service structure. Through your G.S.R., you can make your group's voice heard at district meetings, at area assemblies, and eventually at the General Service Conference."

For more information about GSRs, see A.A.® leaflet:

"G.S.R. Your group's link to A.A. as a whole"

"For a new general service representative, this leaflet outlines responsibilities and useful sources of information; for a group, what to keep in mind when electing a G.S.R."

STEPS: 7 THRU 9

7.

“Humbly asked Him to remove our **shortcomings**.”

8.

“Made a list of all persons we had harmed, and became willing to make amends to them all.”

9.

“Made direct amends to such people wherever possible, except when to do so would injure them or others.”

SHORTCOMINGS (Step #7) - Pgs. 19, 25, 50, 59, 127, and 286 of 3rd & 4th Editions of Big Book: “*defects / things lacking / imperfections / weak points / faults*”

TRADITIONS: 7 THRU 9

7.

Short Form:

“Every A.A. group ought to be fully self-supporting, declining **outside** contributions.”

8.

Short Form:

“Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”

9.

Short Form:

“A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.”

OUTSIDE (Tradition #7) - Pg. 160 of the 12&12: (Adverb) “*not included or originating in a particular group or organization*”

Merriam-Webster Dictionary

CONCEPTS: 7 THRU 9

7.

Short Form:

“The Conference recognizes that the Charter and the Bylaws of the General Service Board are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purse for its final effectiveness.”

8.

Short Form:

“The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.”

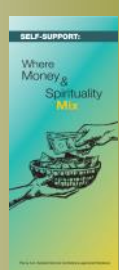

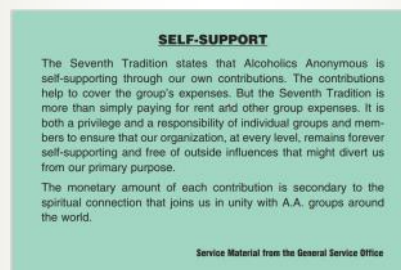

9.

Short Form:

“Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The **primary** world service leadership once exercised by the founders of A.A. must necessarily be assumed by the Trustees of the General Service Board of Alcoholics Anonymous.”

PRIMARY (Concept #9): (Noun) “*something that is first in order, rank, or importance.*”

"Problem Drinkers"

Do you know a problem drinker? For those who have struggled unsuccessfully with the "disease" of alcoholism, the March of Time film "Problem Drinkers" offers new hope. These scenes from the film show the various steps in an alcoholic's downfall and his rehabilitation. From "moderate" drinking he slips into uncontrolled excess until finally, all restraint removed, he loses his sense of responsibility. Even arrest for drunkenness fails to move him until an organization known as Alcoholics Anonymous learns of his plight and holds a friendly conference with him. First step, once he has realized his helplessness, is to assure him of sympathetic and understanding aid in fighting his battle. His health is built up, and he is told of the deleterious effects of alcohol as determined in laboratory experiments at the Yale School of Alcohol Studies. A. A. members see him through the crisis of his unwonted abstinence, and finally he too can testify to a successful battle against alcoholism. Thus with new courage he takes up his duties a different and more understanding man.

LAUREL OUTLOOK

Official Paper of Yellowstone County

New March Of Time 'Problem Drinkers' At Royal Sun., Mon., Tues.

Packed with dramatic human interest, this month's March of Time, "Problem Drinkers," tells the story of some new and successful methods in man's fight against alcoholism, America's fourth public health problem.

After a sequence showing the effect of the old "temperance" crusades, the MOT camera moves into Yale University's School of Alcohol Studies to show both laboratory and psychological research.

The most powerful scenes in the film are those showing the work of Alcoholics Anonymous, a group of recovered alcoholics who devote their time to helping others overcome the addiction. Dramatizing a typical case—that of "Fred Lane,"—the MOT shows how anyone who sincerely desires help may be aided. A. A. reports success in 75 per cent of cases, some immediately, some after several relapses—the highest rate of success of any known method.

No one should miss this deeply interesting film.

"ALCOHOL --- PASTIME OR PROBLEM?"

=====

Navajo Times

"AA CONFERENCE HELD AT MOAB..."

=====

Navajo Times
(Window Rock, AZ)
June 20, 1962

AA Conference Held At Moab June 1-3

The Gallup Group of Alcoholics Anonymous was represented at the second annual Four Corners Conference, which was held at Moab, Utah on June 1, 2, and 3.

The Four Corners Conference, which was held for the first time last year in the mountains just west of Durango, Colorado, was proposed and activated by the Farmington A. A. Group and serves a very special need for isolated groups in the area.

During the Conference it was decided that a visitation meeting would be held one Sunday of each month between the towns of the Four Corners area with each town playing host in its turn and would do much to increase interest and warmth between the groups.

The towns participating are Moab and Monticello, Utah; Dove Creek, Cortez and Durango, Colorado; Aztec, Farmington and Gallup, New Mexico.

The first such meeting will be held in Monticello, Utah, on July 8, 1962. All members and their families are cordially invited to attend.

ALCOHOL--- Pastime or Problem?

Interesting things pass across the desk of the editor of a publication such as this one. We recently received the following from the National Safety Council in Chicago.

"BOOZE FIGHTING -- For the married man who thinks he cannot get along without drink, the following is suggested as a means of freedom from bondage to the saloon:

START A SALOON IN YOUR OWN HOUSE. Be the only customer (you'll have no license to pay.) Give your wife two dollars extra to buy a gallon of whiskey, and remember there are sixty-nine drinks in a gallon. Buy your drinks from no one but your wife, and by the time the first gallon is gone she will have four dollars and fifty cents to put into the bank and two dollars to start business again. (She can throw in some drinks on the house.) Should you live ten years and continue to buy booze from her, and then die with snakes in your boots, she will have enough money to bury you decently, educate your children, buy a house and lot, marry a decent man, and quit thinking about you entirely."

(We don't really think that anyone would seriously consider this solution -- if you do, forget it! There's prohibition on the reservation.)

This constitutes a rather humorous approach to a very serious problem. Statistics show there are in excess of five million alcoholics in the United States, with 20,000 in New Mexico. One out of six is a woman. The prevalence of alcoholism is recognized by the Tribal leaders as one of the greatest problems with which they must contend.

First, alcoholism is no longer a moral issue. It is recognized as a disease, and perhaps most important, a disease which cannot be cured. Like diabetes, which can be controlled by diet, the alcoholic can lead a full, productive and happy life as long as he stays away from the "first drink."

The Alcoholics Anonymous organization has gained more ground in helping sick men and women avoid taking that "first drink" than any other factor. They are simply a fellowship of men and women who have discovered, that, by sharing their common problem, and by working with other alcoholics, they are able to abstain completely from alcohol in any form. The only requirement for membership is the honest desire to stop drinking.

There are some 7,500 local groups of AA's, most of whom hold regular meetings open to the public. Two basic misconceptions about AA are widely accepted, unfortunately. First, many people feel that the society is some sort of evangelical group exhorting its members to be good. Second, and even further from the truth, is the belief that AA is chiefly devoted to Skid Row cases. There is a spiritual side to AA--a power for good to replace the power which alcohol has held. And, although many men and women in AA have been Skid Row cases, the AA is literally a cross section of the community, with educators and illiterates, rich people and poor people--the disease has no respect for age, wealth, talent or position.

If you know of someone who might be helped through this program, there is a local group of the Alcoholics Anonymous. They are always willing and anxious to provide information and help. In every issue of the Navajo Times, in the "Trading Post", you will find listings of telephone numbers which will reach some member of the AA.

The alcoholic has a disease, and a serious one, which can cost him his job, his family and his happiness. A sick person seeks the help of those who can defeat his illness. The wise alcoholic does the same!

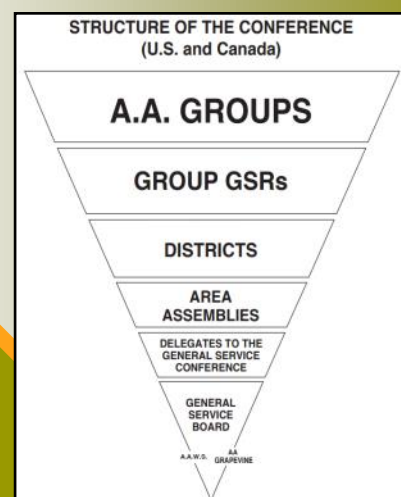

Anyone interested in obtaining the help of AA may do so through the Lone Star Group at Fort Defiance, the Public Health Hospital in Shiprock and the Gallup Indian Community Center.

GREATLY APPRECIATES ALL YOUR DONATIONS!

“WHAT I WILL DO BEFORE TAKING THAT NEXT DRINK!”

“WHAT I WILL DO BEFORE TAKING THAT NEXT DRINK!”

ACTION PLAN

For us alcoholics, a relapse will forever be just one drink away. Some of us have already experienced that relapse.

Whether or not a relapse is part of your story, it's important that we have some sort of “ACTION” plan in place BEFORE the temptation to drink again starts forming. Do you have an “ACTION” plan in place?

If you don't, here's an opportunity to make one by listing those actions that you would take before taking a drink.

If you do have one, list those actions. It's a great reminder!

If you can come up with more, GREAT!! Remember that we must be willing to go to any length...do whatever it takes / whatever “ACTION” ...to stay sober.
