Literature Committee Message

Since the early days of Alcoholics Anonymous and the publication of the first edition of the Big Book in 1939, literature has been inspiring many alcoholics to not only stay sober, but to carry the message of how they have stayed sober and how literature has played a vital role in their continuous sobriety.

The Panel 62 Literature Committee's goal and purpose for 2013 is to inspire and inform groups, districts and the Mid-Southern California Area Assembly members through displays and other suitable methods – of all available Conference approved literature, audiovisual material and other special items.

We want to encourage and inspire AA members to read and purchase AA Conference approved literature.

The MSCA09 Literature Committee is responsible for development, revising, having translated and publishing Mid-Southern California Area Literature that this committee is responsible for in order to strengthen AA as a whole and carry the AA message the best way possible.

The literature committee provides review and editing services when requested from other committee's for their literature.

The MSCA09 Panel 62 Literature Committee is available to attend groups, districts and area events when requested.

The theme for the 2013 General Service Conference is “***The General Service Conference Takes Its Inventory – Our Solution in Action***”.

The word action is the key in this year's theme for the General Service Conference. Without action this committee would not exist.

Please accept this year's 2013 MSCA09 General Service Workbook as we know you will find it a very useful tool in learning more about your Mid-Southern California Area 09. If you have any ideas, or suggestions that may improve this workbook, please let us know. By doing so, you will help ensure that those who follow us in service work throughout our area will be that much better prepared to help the alcoholic who still suffers.

Kind Regards,

The Mid-Southern California Area 09 Literature Committee

The GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.

We realize the ultimate authority is a loving God as he may express Himself in our Group Conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship.

Let us, therefore, have the patience and tolerance to listen while others share the courage to speak up when we have something to share, and the wisdom to do what is right for our group and A.A. as a whole.

M.S.C.A. Language

- ❖ **Trustee** ~ The usual term for a member of A.A.'s General Service Board. There are 14 Alcoholic Trustees (Class B) and 7 Nonalcoholic Trustees (Class A).
- ❖ **Twelve Concepts** ~ As the Twelve Steps are to personal RECOVERY and the Twelve Traditions are to the preservation and UNITY of Alcoholics Anonymous, so are the Twelve Concepts to General SERVICE. They are a set of principles intended to provide service to A.A. and the still-suffering alcoholic. They also protect the structure by which such service is made possible.

Vital to A.A.'s Growth

"These services, whether performed by individuals, groups, areas, or A.A. as a whole, are utterly vital to our existence and growth. Nor can we make A.A. more simple by abolishing such services. We would only be asking for complication and confusion."

Bill W. 1951

The A.A. Service Manual
Page S1

The Conference Structure-An Overview

"The Conference structure is the framework in which these "general services" are carried out. It is a method by which A.A.'s collective group conscience can speak forcefully and put its desires for worldwide services into effect. It is the structure that takes the place of government in A.A., ensuring that the full voice of A.A. will be heard and guaranteeing that movement-wide services will continue to function under all conditions.

...Today, general services include all kinds of activities within the Conference structure, carried on by districts, area committees, delegates, trustees, the General Service Office and the Grapevine. Usually, these services affect A.A. as a whole."

An Upside-Down Organization

"Alcoholics Anonymous has been called an upside-down organization because, as the structure chart shows, the groups are on top and the trustees are on the bottom. Bill W. wrote in Concept I: 'The A.A. groups' today hold ultimate responsibility and the final authority for our world services...' Then, in Concept II: Bill made it clear that the groups 'delegated to the Conference complete authority for the active maintenance of our world services and thereby made the Conference... the actual voice and effective conscience of our whole Society.' "

General Service Structure

THE GROUP: The communication process starts with the group, which lets its group conscience — for or against change, approval or disapproval of a proposed action — be known to its elected general service representative (G.S.R.). The G.S.R. (see Chapter Two) makes sure the group's wishes are heard and fully considered at the district and area levels, and that they are part of the delegate's thinking at the Conference. After each annual Conference, the G.S.R. is responsible for making sure that group members are informed about what went on at the Conference and made aware of the full range of Advisory Actions (see Chapter Seven).

THE DISTRICT: Groups are organized into districts, collections of groups located near one another. The G.S.R.s of these groups select district committee members (D.C.M.s), who become part of the area committee (see Chapter Three for more on the district). **THE AREA:** The U.S./Canada Conference is divided into 93 areas, made up of a state or province, part of a state or province, or in some cases parts of more than one state or province. At the area assembly, a delegate is elected to represent the area at the annual Conference meeting (see Chapters Four and Five for more on the area and its activities).

THE CONFERENCE AND THE DELEGATE: At the annual Conference meeting, matters of importance to the Fellowship as a whole are first considered and discussed by one of the standing Conference committees, then brought to the full Conference in the form of committee recommendations. All Conference members then have the opportunity to ask questions and discuss the recommendations before they are voted on. Committee recommendations that are approved become Conference Advisory Actions (see Chapters Seven and Eight for more information on the Conference). After the Conference, the delegate reports back to the area, working through D.C.M.s and group G.S.R.s. At the same time, any Conference Advisory Actions that were referred to the trustees are sent to either the appropriate trustees' committee, G.S.O., or the A.A.

Grapevine for implementation. Membership in the Conference consists of area delegates, trustees, directors of A.A. World Services and the Grapevine, and A.A. staff members of the General Service Office and the Grapevine. Traditionally, area delegates make up at least two-thirds of the Conference body.

THE TRUSTEES: The General Service Board (see Chapter Nine) is made up of 21 trustees. It meets quarterly, and its actions are reported to the Fellowship through quarterly reports and also in the *Final Conference Report*. The board's two operating corporations, A.A. World Services, Inc. and The A.A. Grapevine, Inc., report in the same way (see Chapter Ten). A.A.W.S. is the corporation that employs G.S.O. personnel, directs G.S.O. services, and is responsible for book and pamphlet publishing. The Grapevine corporate board employs the magazine's editorial and business staffs and publishes A.A.'s monthly magazine and related materials.

Tradition One

Our common welfare should come first; personal recovery depends upon A.A. unity.

Concept One

Final responsibility and ultimate authority for A.A. World Services should always reside in the collective conscience of our whole Fellowship.

NOTES

Those early meetings saw the introduction of some customs so traditional today that their presence – not to mention their origins – is rarely questioned. One of these was the humor – sometimes black, always deeply empathic. This atmosphere of laughter was a direct legacy of Bill's personality. His own talks were always shot through with humor, much of it self-deprecating.

Said Ruth: "He could always bring on laughter out of pathos. There would be deep belly laughter."

Another was the way in which members introduced themselves: "My name is Bill W. I'm an alcoholic." Never one to pass up an imaginative or appropriate idea, ..."

Tradition Two

For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Concept Two

The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.

March 2013

Tradition Three

The only requirement for A.A. membership is a desire to stop drinking.

Concept Three

To insure effective leadership, we should endow each element of A.A.—the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional "Right of Decision."

NOTES

Idaho Area 18 is pleased to host the Pacific Region Alcoholics Anonymous Service Assembly (PRAASA) being held March 1-3, 2013 in Boise, ID.

The purpose of P.R.A.A.S.A. is to develop greater unity among members, groups and areas of the Pacific Region, to encourage the exchange of ideas and experiences; and to provide an opportunity for members to discuss pertinent aspects of A.A.

An A.A. Region is a grouping of neighboring Areas from which a Regional Trustee comes to the Board of Trustees. Regions do not appear in "The General Service Conference Structure" chart in "The A.A. Service Manual." They serve as an efficient grouping for the coordination of A.A. business and visits.

The Assembly and the P.R.A.A.S.A. committee should always foster the Recovery, Unity and Service legacies of A.A.

Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

Concept Four

At all responsible levels, we ought to maintain a traditional "Right of Participation", allowing a voting representation in reasonable proportion to the responsibility that each must discharge.

NOTES

Pre-Conference Workshop

The purpose of the Pre-Conference Workshop is to provide Area feedback to the Delegate regarding upcoming Conference issues. Our "Mid-Southern California Area Guidelines for Structure and Procedure" provides this guidance. The Pre-Conference Workshop accomplishes the task. In doing so, it helps the Delegate identify the Group's views on the discussion topics that will be reviewed at the General Service Conference this month.

Important activity for the Pre-Conference Workshop is accomplished before the day of the meeting. General Service Conference topics are reviewed by District G.S.R.'s and Groups are informed of the topics so they can develop their views and pass them on through their G.S.R.'s. The topics are discussed in depth at the Pre-Conference Workshop and the results are provided to the Delegate to carry to the annual General Service Conference.

Tradition Five

Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.

Concept Five

Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.

Tradition Six

An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

Concept Six

The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

NOTES

"You mean you are going through with the operation?"

"I have placed both operation and myself in God's hands. I'm going to do what it takes to get sober and stay that way...."

"At nine o'clock, he shook miserably as we helped him into his clothes,"...

"On the way to City Hospital on the east side of town, Dr. Bob held out his hand from time to time to see whether the shakes had subsided. Just before they stopped, Bill, who also had his practical side, gave him a bottle of beer.

Bill and Anne went back to the house to wait. After many hours, Bob phoned to tell them that the operation had been successful. Still, he didn't return right after the call. Had he gone out to celebrate? Anne and Bill had no idea; they could only wait.

Finally, Dr. Bob came home. He had spent the hours after the operation making restitution to friends and acquaintances in Akron. The bottle of beer that Bill gave him that morning was the last drink he ever had.

Although arguments have been and will be made for other significant occasions in A.A. history, it is generally agreed that Alcoholics Anonymous began there, in Akron, on that date: June 10, 1935."

Tradition Seven

Every A.A. group ought to be fully self-supporting, declining outside contributions.

Concept Seven

The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.

Tradition Eight

Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

Concept Eight

The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

NOTES

“Robert Holbrook Smith – eventually to be known to grateful alcoholics as Dr. Bob, co-founder of Alcoholics Anonymous – was born August 8, 1879, in the front bedroom of a large, 19th century clapboard house at Central and Summer Streets in St Johnsbury, Vermont.

He was the son of Judge and Mrs. Walter Perrin Smith...

Dr. Bob who rarely discussed family background, described his father as being a typical Vermont Yankee - reserved and taciturn on first acquaintance, with a lively if somewhat dry sense of humor.

Many years later, Dr. Bob's son, Robert R. Smith (nick-named Smitty), was to describe his father in much the same way. “Upon your first contact, he was very reserved and formal in his relationships, but when you became his friend, he showed a personality which was just the opposite – friendly, generous, and full of fun,” Smitty said.”

September 2013

Tradition Nine

A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Concept Nine

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

Tradition Ten

Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

Concept Ten

Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

Date to be Announced: Heritage Day is designed for a panel of Old-timers to sharing what AA was like when they got sober and how Service helped to keep them sober.

Tradition Eleven

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

Concept Eleven

The trustees should always have the best possible committees, corporate service directors, executives, staffs and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.

NOTES

Servathon Date and Time TBD

The purpose of the Servathon is to focus upon one or more of the Twelve Traditions and all aspects of A.A. service. This broad charter specified in the Mid-Southern California Area "Guidelines For Structure and Procedure" gives the Servathon participants a unique opportunity to review and learn about A.A. service fields that they may not be familiar with.

In the past, topics for the Round Table Discussions have been selected from discussion topics scheduled for next year's General Service Conference. This has the effect of bringing the Area closer to the forthcoming Conference in April. The information gathered at the Servathon provides a baseline for a more in-depth review of the topics at the "Pre-Conference Workshop" held in the spring of the year.

William Griffith Wilson was born on November 26, 1895, in East Dorset, Vermont – in a room behind a bar. The bar was in the Wilson House, the village hotel run by the widow Wilson, who was Bill's grandmother. Bill's mother and father had come to live there after their marriage in 1894.

Bill was born about 3:00 a.m. on a wintry morning. His birth was difficult. Emily, his mother said, "When they brought you to me, you were cold and discolored and nearly dead, and so also was I, you from asphyxiation and I from painful lacerations and loss of blood, but I held you to me, close in my arms, and so we were both warmed and comforted – ..."

If there is any question about Dr. Bob's priorities, A.A.'s in the Akron area have no doubt what came first. "A.A. was the most important thing in his life," said John S. "A couple of us went into his office one afternoon. There were four or five other people in there for professional reasons. He looked up and saw us and said, 'come on in boys. Hell, I can talk with people with a sore ass any time. But I don't often get a chance to talk to A.A.'s in the office.'"

December 2013

Tradition Twelve

Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Concept Twelve

The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

NOTES

...he (Bill) cried... "If there be a God, let Him show himself!"

What happened next was electric. "Suddenly, my room blazed with an indescribably white light. I was seized with an ecstasy beyond description. Every joy I had ever known was pale by comparison. The light, the ecstasy – I was conscious of nothing else for a time.

"Then, seen in the mind's eye, there was a mountain. I stood upon its summit, where a great wind blew. A wind, not of air, but of spirit. In great, clean strength, it blew right through me. Then came the blazing thought 'You are a free man.' I know not how long I remained in this state, but finally the light and the ecstasy subsided. I again saw the wall of my room. As I became more quiet, a great peace stole over me, and this was accompanied by a sensation difficult to describe. I became acutely conscious of a Presence which seemed like a veritable sea of living spirit. I lay on the shores of a new world. 'This', I thought 'must be the great reality. The God of the preachers.' ..."
